Program/s

ADP Adult Day Program

Building Hope Adult Day Program is a licensed day support program for adults who could benefit from day supervision or who lack opportunities for social interaction. Building Hope provides a caring, supportive and stimulating environment with trained staff and a variety of daily activities which encourage group interaction. Participants enjoy a variety of scheduled activities designed to encourage companionship, and offer opportunities for intellectual stimulation and communication. Self-worth and independence grow as Center participants experience life outside of the home setting.
