Description:

The Adult Day Services Network of Contra Costa is a nonprofit organization. Our mission is to promote the 9 adult day services centers available throughout Contra Costa County, California in order to support and enrich the lives of seniors, people with disabilities, their families and the community.

We assist family members in finding a day program or other community service that meets their loved one's needs by helping navigate the programs based on their location and differing services and specialties offered at each location.

We provide training and technical support to staff of the adult day services programs, assist in outreach for the programs and offer community education. We have a small Emergency Respite fund for current participants' caregivers.

Description:

Cygnnet Innovations Group is a consulting and concept development firm that designs place and program innovations for older adults and persons with dementia. Founding principals **Lyn Geboy, PHD**, and **Beth Meyer-Arnold, RN, MS**, have a 12 year-long partnership of research and clinical practice in elder and dementia care. Their expertise in older adult and dementia care services includes clinical services, quality improvement, environmental planning, community assessment, consumer needs identification, internal and external communications, and new program development.

Bringing research and practice together in a real-world setting, they developed an innovative, multi-dimensional model for implementing person-centered care in practice as the co-authors of ***Person-Centered Care in Practice: Tools for Transformation*** (2011, Attainment Company, Inc.), and co-producers of ***Modeling Person-Centered Care in Practice*** (2013, Attainment Company, Inc.).

Person-Centered Care in Practice: Tools for Transformation is a helpful “get started’ manual with strategies, trainings, and more than two dozen operational tools to help you on your own journey in establishing excellence in dementia care.

Lyn and Beth’s person-centered care approach has been positively reviewed by LeadingAge, and piloted nationally by Easter Seals adult day services affiliates.

Description:

The Health Plan of San Mateo (HPSM) is a local, non-profit County Organized Health System (COHS) that manages medical and support services for Medi-Cal eligible residents and other vulnerable populations in San Mateo County. We currently serve more than 145,000 County residents.

Our Mission

To ensure access to high-quality care services and supports that help San Mateo County's vulnerable and underserved residents live the healthiest lives possible.

Our Vision

Healthy is for everyone—and we fight to make that possible.

Guiding Principles

- Advocate for the health and well-being of our members and other underserved residents of San Mateo County.
- Partner with providers and community organizations to overcome local challenges faced by members and providers.
- Give individual and personal attention to our members by being culturally and linguistically responsive to their unique needs.
- Support our providers by ensuring they receive timely payment for their services and by reducing administrative obstacles.
- Strive to be good stewards of public resources by focusing on the efficient use of services and funds.
- Act with the highest standards of ethics, integrity, and transparency.
- Embrace a work atmosphere that encourages employee growth and commitment to HPSM's mission.
