

# MEDI-CAL MANAGED CARE PLANS BY COUNTY (AS OF 2023 AND 2024)

The following table lists Medi-Cal managed care plans<sup>i</sup> (MCPs) by county, as of January 1, 2023, and as they will be effective January 1, 2024. The changes are the result of an agreement among DHCS and MCPs in December 2022 to transform Medi-Cal into a more equitable health system that will result in better health outcomes for Californians. The table also reflects changes based on the County Plan Model changes that were approved in April 2022 and Assembly Bill 2724 enacted June 30, 2022 which added Section 14197.11 to the Welfare and Institutions Code. Starting in 2024, all MCPs will operate under the new restructured and rigorous contract that requires high-quality, equitable and comprehensive coverage.
