

FREE WEBINAR

Wednesday, April 7, 2021 | 10:30 AM – 12:00 PM

Part 31: Ready, Set, Go! A Preview of How to Plan Your Phased Return to Congregate Services

APRIL 7 - WHAT WE WILL COVER

Guidance for how ADHC/CBAS centers can return to congregate services will be forthcoming soon in an All Center Letter (ACL) from the Department of Aging (CDA). Your team is invited to this exclusive "sneak preview" of what's to come! Our Panel of Vision Team Members will share their insights to help you begin to prepare in phases for a safe and orderly return to congregate services, in accordance with CDA's modified TAS guidance. We'll also share new resources and tools to help you organize, along with a quick update on access to vaccinations and the latest on center sponsored vaccine clinics (including photos). Please join us; this is a Webtalk you won't want to miss!

HOST

Lydia Missaelides, MHA, Executive Director, Alliance for Leadership and Education

PRESENTERS

Jill Sparrow, Chief, CBAS Branch, CA Department of Aging

Provider Panel:

Ellen Han, Program Director, Well and Fit Adult Day Health Care Center

Lois Sones, Program Director, Community Bridges Elderday

Lena Haroutunian, Program Director, New Sunrise Adult Day Health Care

Kay Lee, Vice President, Commonwealth Adult Day Health Care Center

Richard Lee, Program Director, Beverly Adult Day Health Care

FEES

CAADS MEMBERS: No Charge **NON MEMBERS:** Registration fee waived

HOW TO REGISTER

Registration includes access to the webinar for each attendee/email address registered. CAADS keeps one primary contact and we send information to that one individual. However, during this time and with centers that have staff working remotely, we encourage you to share this registration link with YOUR CENTER STAFF that you feel would benefit from listening to this webinar. **Use this link to register:** <https://attendee.gotowebinar.com/register/79892028435454732>

Internet connection and computer speakers / microphone OR access to a telephone for the audio presentation is required.

NOTE: Log in early! With the growing number of individuals needing to telecommute, please be patient and understand that both telephone and WiFi lines are being overloaded during the shelter in place order. If you can't login, try and try again or just call in with your telephone. If you are still having issues, please reach out to "GoToWebinar" customer service at 1-800-263-6317.
