Part 32: Deep Dive Into ACL 21-04 How to Plan Your Route Back to Congregate Services

APRIL 21 - WHAT WE WILL COVER

CDA's All Center Letter 21-04 offers a "road map" for the return to congregate (in-center) services, but providers must still select their "routes." This not-to-be-missed webinar will enhance the information shared during CDA's earlier, introductory webinar with the goal of ensuring that centers fully understand the requirements and have a clear basis for planning. The Vision Team will offer step by step strategic guidance and practical, action-oriented recommendations for your center's phased progression back to CBAS. Adult day providers will also benefit from the discussion, which is sure to be lively. Join us, and bring your Teams!
