Part 34: Countdown to Congregate Services – A Panel Discussion

JUNE 2 - WHAT WE WILL COVER

For adult day services providers, June is all about strategically planning for the return to congregate services while gradually returning to familiar routines and processes. We eagerly anticipate June 15, the date of the state's reopening, to find out what news it may bring about loosening in-person COVID restrictions such as distancing. For ADHC/CBAS providers, June also is the time to prepare for July Treatment Authorization Requests, using the full Individual Plan of Care.

Join the **CDA CBAS leadership team** for a quick review of **ACL 21-05** and our **diverse panel of program directors** for a discussion on what is top of mind for them. We will have time for sharing of ideas and questions as you prepare for your own center's journey back to full re-congregation.
