Part 35: California Has Reopened! – But What Does it Mean for Adult Day Services?

JUNE 16 - WHAT WE WILL COVER

Our state is “re-opening” on June 15th, yet the rules and guidelines for distancing and masking remain confusing. How do you plan for group services when you don’t know how the rules might change and must still keep staff and participants safe? As we await the official state standards for re-congregating in ADHC/CBAS and Adult Day Programs, we’ll share what we know today, including recommended safety guidelines and promising approaches for preparing for this next phase in your Center’s programming. Please join us and bring your best questions and ideas!

HOW TO REGISTER

Registration includes access to the webinar for each attendee/email address registered. CAADS keeps one primary contact and we send information to that one individual. However, during this time and with centers that have staff working remotely, we encourage you to share this registration link with YOUR CENTER STAFF that you feel would benefit from listening to this webinar. **Use this link to register:** <https://attendee.gotowebinar.com/register/5953184078249909517>

Internet connection and computer speakers / microphone OR access to a telephone for the audio presentation is required.

NOTE: Log in early! With the growing number of individuals needing to telecommute, please be patient and understand that both telephone and WiFi lines are being overloaded during the shelter in place order. If you can’t login, try and try again or just call in with your telephone. If you are still having issues, please reach out to “GoToWebinar” customer service at 1-800-263-6317.
