CBAS TAS flexibilities end on September 30, 2022

ACL 22-02

*sets a schedule for the full return to
CBAS program requirements*

So, What Happens Now?

Effective Immediately:

In-Center Attendance

- CBAS providers shall serve participants in-center on their authorized days, as participants are able and as they choose, to allow for adequate transition time.
- Participants may continue to receive remote services under TAS, as needed, through September 30, 2022.

So, What Happens Now?

What's NEW effective July 1st :

- **Core Services**

Participants are to receive at minimum the required nursing services, personal care or social services, therapeutic activities, and a meal **on each day of attendance** at the center according to their care plan ([Welfare and Institutions Code, Section 14550.5](#))

Remaining Flexibilities and Timelines

Flexibilities that remain in effect through September 30th :

- **Duration of Attendance**

The minimum 4 hours of attendance is not required until October 1st

Attendance determined by the participant's needs and abilities, per their person-centered plan of care, number of days authorized by the participant's managed care plan

- **Daily Billing Limitations**

CBAS providers may serve and bill for total days of service in-center and remote that exceed their license capacity until the end of TAS flexibilities on September 30, 2022

Existing Requirements & Timelines

- **Staffing** ([ACL 21-04](#))
 - **Full MDT** required
 - **Required minimum staffing levels** should be **met on a daily basis** and based on participant need, rather than on attendance for the previous quarter, until December 31, 2022
 - In-center nursing, social work, and program aide ratios shall be based on the number of participants attending in-center at a time on any one day.
 - **Monthly therapy & registered dietitian services** should be **determined by participant needs and daily attendance** rather than on attendance for the previous quarter services and provided to all participants according to their IPCs.

Effective January 1, 2023, staffing levels and monthly therapy and registered dietitian services will be calculated based on the preceding quarter's average daily attendance (ADA)

[Title 22, CCR, Section 54423; 1115 Waiver, CBAS Provider Standards of Participation \(SOP\), Attachment H.](#)

Existing Requirements & Timelines

- **Multidisciplinary Team (MDT) Assessment/ Care Planning:** Full range of MDT assessments of all participants and the development of Individual Plans of Care (IPC) that address participants' needs through in-center services and any continuing remote services to be provided.
- **Standards for remote services and documentation must be met for billing*** of CBAS TAS remote services and supports per [ACL 21-13](#), through September 30th.

***Payment for the provision of CBAS TAS will end September 30th**

Participants Not Attending In-Center

**CBAS participants
who will not
transition to in-
center services by
September 30th**

CBAS providers shall identify and report names and other identifying information of these participants to CDA by July 15th using the

“CBAS TAS Discharge Projections Report”.

[Forms & Instructions Tab - Temporary Alternative Services \(TAS\).](#)

CBAS providers must prepare now by identifying participants who will not transition to CBAS in-center services by September 30, 2022.

CDPH Guidance - AFL 20-34.7 - *Pending*

AFL 20-34.7, supersedes [AFL 20-34.6](#)

The AFL will notify ADHC licensees of the end dates of flexibility of specified regulatory requirements for ADHC licensing in effect during the COVID-19 pandemic

What specifically does this mean for CBAS providers?

Effective July 1, 2022, all CBAS providers must meet requirements pursuant to your ADHC license, including:

- ✓ Be **staffed** and **providing basic services** per licensing requirements [including Title 22 California Code of Regulations (CCR) Sections [78305](#), [78307](#), [78309](#), [78311](#), [78313](#), [78319](#), [78337](#), [78339](#), [78341](#)]

What specifically does this mean for CBAS providers?

Effective October 1, 2022, all CBAS providers must meet requirements pursuant to your ADHC license, including:

- ✓ Be **open** and **operating** within your centers on the days and hours of operation printed on your license

[per Title 22 California Code of Regulations (CCR) Sections [78301](#)]

What if my center is unable to operate within the center per licensing requirements by October 1, 2022?

- ❖ You may change your days of center operation or close temporarily by making written request to CDPH to place your license in temporary suspense.
- ❖ Refer to [Section 78233](#) for more specific information regarding placing your license in voluntary suspense
- ❖ Contact your [Licensing District Office](#) for further instructions

CDPH AFL 20-34.7, (cont.)

- ❖ If you choose to change your days of operation or close – either temporarily or permanently:
 - ✓ Notify your Licensing District Office of CDPH
 - ✓ Notify CDA and your contracting managed care plans
 - ✓ Coordinate closure and discharge responsibilities per CDA [CBAS Center Closure Requirements](#).

NOTE: Closed centers may not provide any ADHC or CBAS services

Existing Requirements & Flexibilities in CBAS ACLs

Meanwhile, until September 30th, all requirements specified in the following ACLs continue to apply:

- ✓ [ACL 21-04 Transition to Congregate Center Services](#), full MDT, assessments and evaluations, IPCs, . . .
- ✓ [ACL 21-10 Postponement of Deadline for CBAS Transition of All Participants to In-Center Services and Other Planning Updates](#)
- ✓ [ACL 21-13 CBAS Temporary Alternative Services \(TAS\): Remote Services Standards and Documentation Requirements](#)

**CBAS
Emergency
Remote
Services (ERS)**

Coming October 2022!

What is ERS...and will it replace CBAS TAS?

Emergency Remote Services (ERS)

CBAS ERS is the temporary provision and reimbursement of CBAS,

- under specified emergency situations,
- in alternative settings, such as the community, the participant's home, or via telehealth.

Purpose:

To allow for immediate response to address continuity of care needs of CBAS participants when they are restricted or prevented temporarily from receiving services at the center

What is ERS?

Two types of “unique circumstances” that may result in need for ERS:

1. Public Emergencies such as state or local disasters
 - Earthquakes, floods, fires, power outages, epidemic/infections disease outbreaks such as COVID, TB, Norovirus
2. Personal Emergencies
 - “Serious” illness or injury, crises, care transitions such as to/from nursing facility or to/from hospital

Anticipated implementation of ERS: October 2022

CDA, in collaboration with DHCS, the California Association for Adult Day Services (CAADS), the Alliance for Leadership and Education (ALE), and Managed Care Plans, is in the process of developing tools and reporting documents/processes for the implementation and oversight of ERS.

➤ **AFL 21-35 Guidance for In-Center Services and Operation of ADHCs during the Coronavirus Disease 2019 (COVID-19) Pandemic (Issued 9/17/21)**
