## Motivational Interviewing – 4 Part Small Group Training

---

### WHAT WE'LL COVER

This Motivational Interviewing training will consist of four 2-hour remote interactive sessions. Participants are encouraged to attend and actively engage in the scheduled role-play sessions and remain on camera throughout the training.

- Participants will understand the key concepts of Motivational Interviewing
- Participants will be able to accurately name and understand the value the core skills of Motivational Interviewing, and how they enhance motivation
- Participants will be able to recognize and enhance Change Talk
- Participants will be able to use the Motivational micro-skills to enhance a patient's motivation

When registering, you are committing to participate in all four virtual trainings and you will be provided with an outline for each training date. Space is limited to 25 persons. Additionally, CAADS is limiting center registration to no more than 2 registrants from the same center. If you have more staff that want to attend, CAADS will add them to a waitlist and will accommodate them if space opens up or they will be a priority for the next set of training dates.
